Trimmers & Bushcutters**

Extremely durable, yet lightweight. All the low end torque you need for high performance, high precision trimming.

- Lifetime warranty, solid steel driveshafts
- Fully enclosed, bearing supported gearcases

**STARTING AT
\$169.99**

MultiCutter System

An extraordinary all-in-one product that adapts to almost any application.

Image file:

- Solid steel split drive shafts
- Simple, reliable, tool-free coupler system allows attachments to snap lock into the power head in seconds
- Reduces initial investment costs, maintenance costs, and transport costs.

Power Blowers

High performance and low sound, comfort and rugged durability.

- Powerful and reliable Kawasaki commercial engines
- Fiberglass enhanced polypropylene fan housing add strength not weight
- Open design promotes cooler operation
- Comfort features include lightweight, anti-vibration, one-piece frame and padded shoulder straps

**BACKPACK
UNITS
STARTING AT
\$359.99**

Hedge Trimmers

Polished cutting edges deliver the cleanest cuts and minimum leaf "browning".

- Durable, commercial-grade gear cases
- 24 and 30 inch double-edged and 30 and 40 inch single-edged options
- Excellent balance

**STARTING AT
\$299.99**
